State University of New York

Memorandum to Presidents

Date: June 5, 1973

From: Office of the Acting Deputy to the Chancellor for Community Colleges

Subject: Equal Employment Information

I'm addressing this memorandum to the Presidents of the Community Colleges, many of whom have asked to be informed of various State University policy statements and plans that directly concern the State-operated campuses and indirectly, the Community Colleges. We have made every effort to comply with this request.

You are no doubt aware of the fact that the University has been at work developing guidelines for the Equal Employment Opportunity Plan. These guidelines have been formulated and recently distributed to all campuses.

We would like to invite you to submit the name of someone on your staff who would continually receive, for reference and information only, copies of various information memoranda and bulletins normally sent to Equal Employment Officers of the State-operated campuses.

If you would like your campus to be on the list of those who receive this Equal Employment Opportunity information, please send the designated staff member's name to C. Eugene Kratz, Equal Employment Opportunity Programs, State University of New York, 99 Washington Avenue, Albany, New York 12210.
