Subject: Campus Distribution of the 1972 Master Plan

You will soon be receiving, by separate mail, a supply of the University's 1972 Master Plan as published in its final book form. This Plan contains additional narrative and illustrations that were not included in the Summary Version, previously distributed.

You have already received a personal copy from the Chancellor. These copies are being supplied to you for distribution on your campus. To aid you in this distribution, I should mention that individual copies are also being sent to members of the following groups:

the University Faculty Senate
the Faculty Council of Community Colleges
Student Association Presidents
Editors of Student Newspapers
Chairmen and other members of College Councils and Boards of Trustees
Alumni Association Presidents
Campus Public Relations Officers

We are not making a separate mailing to campus libraries; therefore, you may wish to forward one or two copies to your librarian.

Limited numbers of additional copies are available from the Office of Policy and Planning.
