Memorandum to Presidents

Date: May 13, 1974

From: Office of the Chancellor

Subject: Summer Tuition Waiver for EOP Students

As you know, on the basis of Board of Trustees Resolution 71-152, I authorized the granting of a tuition waiver for EOP students enrolled in summer sessions in 1971, 1972 and 1973. I'm now authorizing that waiver for EOP students who are continuing their study in the summer session of 1974.

Since many EOP students require more than four semesters for completion of the requirements for an associate degree and more than eight semesters for the attainment of a bachelor's degree, eligibility for tuition support from the Scholar Incentive Award would expire prior to completion of a degree program.

Because we must watch very carefully the total expenditure for tuition waivers during 1974-75, I ask that your campus certify the number of summer EOP tuition waivers to Harry Spindler before July 1, 1974. Please call Harry if you have questions about the fiscal aspects of this matter; questions about the EOP aspects should be referred to Jim Smoot.

Thanks very much.
