SUNY Empire State College Mission Statement

I. Creating a Diversity, Equity and Inclusion Vision Statement, Mission/Program Statement, and Action/Strategic Plan for Empire State College, The State University of New York (SUNY ESC)

a. SUNY Empire State College (ESC) has appointed a Chief Diversity Officer for Institutional Equity and Inclusion, Elliott Dawes, who joined the College on September 19, 2016.

b. During his first week at SUNY Empire State College, the Chief Diversity Officer was invited to participate in a three-day Leadership Retreat at The Carey Institute for Global Good in Rensselaerville, New York organized by SUNY ESC President Merodie Hancock. The CDO’s participation in the President’s Leadership Retreat sent a clear message to academic and administrative leaders throughout New York State that the CDO is a member of President Hancock’s Leadership Team and will work closely with other senior administrators in the SUNY ESC Office of
the President and the SUNY ESC administration.  (September 2016)

c. During his first month at SUNY Empire College, the Chief Diversity Officer was invited and encouraged to attend both the SUNY ESC Fall Academic Conference for faculty members and administrators and the Student Academic Conference during which he met hundreds of faculty members, administrators and students from throughout New York State, many of whom agreed to be interviewed and/or participate in focus groups and/or complete surveys in support of the goal of creating a comprehensive SUNY ESC Diversity, Equity and Inclusion Plan by the end of the 2016-2017 academic year.  (October 2016)

d. With significant input from all segments of the SUNY Empire State College community over the course of the 2016-2017 academic year, the Chief Diversity Officer will facilitate the development of a Diversity, Equity, Inclusion and Opportunity Plan subject to the review and approval of President Merodie Hancock.  (June 2017)

e. The CDO will provide administrative support for the College’s existing Diversity, Equity and Inclusion efforts including the President’s Task Force on Inclusion and Student Success convened in 2015 and led by Nadine V. Wedderburn, Ph.D., Associate Professor/Mentor of Public Affairs, SUNY Empire State College (Schenectady Location) and Christopher A. Whann, Ph.D., Executive Director for Operations (interim) and Associate Professor (on leave), Business, Management and Economics (Metropolitan), and will assist the Task Force in completing its three projects including:

iii. Reviewing completion rates in general education courses  (June 2017)

f. With the cooperation of Dr. Wedderburn and Dr. Whann, the CDO will reach out to a wide-cross section of diverse SUNY ESC students, faculty, staff and administrators to join a College-wide
Advisory Group that will guide the development of the SUNY ESC Diversity, Equity and Inclusion Plan. The composition of the Advisory Group will be subject to the review and approval of SUNY ESC President Dr. Merodie Hancock. (December 2016)

g. The Diversity, Equity and Inclusion Plan will include but will not be limited to:

   i. a Mission Statement,

   ii. a Vision Statement, and

   iii. an Action/Strategic Plan

h. To be completed by the end of the 2016-2017 academic year, the SUNY ESC Diversity, Equity and Inclusion Plan, particularly the Vision Statement, Mission/Program Statement and Action/Strategic Plan, will be directly aligned with the College’s mission statement and reflect the unique values of SUNY Empire State College as the only nontraditional, open college of the SUNY system, that educates nearly 19,000 students worldwide at eight international sites, more than 35 locations in the state of New York, online, as well as face to face and through a blend of both, at the associate, bachelor’s and master’s levels. (June 2017)

j. With the cooperation of Dr. Mitchell Nesler, Vice President of Decision Support, SUNY ESC’s senior Institutional Research administrator, the CDO will review existing campus climate surveys (December 2016)

k. Although SUNY ESC has conducted college climate surveys of faculty, staff and administrators, the CDO will focus greater attention on surveying undergraduates and graduate students using the National Survey of Student Engagement and other
survey instruments in preparation for surveying diverse students in spring 2017 (spring 2017)

l. With the cooperation of administrators in the SUNY ESC Office of Decision Support, including Dr. Nesler, SUNY ESC will discuss the importance of understanding diverse students’ perspectives and will ultimately develop additional survey instruments and identify NSSE instruments related to the purpose, goals and objectives of the proposed SUNY ESC Diversity, Equity and Inclusion plan. 2 Launched in 2000, and updated in 2013, the NSSE Survey assesses the extent to which students engage in educational practices associated with high levels of learning and development. Through targeted administration of the NSSE survey, SUNY ESC administrators will be positioned to understand and consider the perspectives of diverse students, particularly first generation students and students from populations that are severely underrepresented in higher education, when implementing the College’s diversity, equity and inclusion plan. NSSE collects information in five (5) categories: (1) participation in dozens of educationally purposeful activities; (2) institutional requirements and the challenging nature of coursework; (3) perceptions of the college environment; (4) estimates of educational and personal growth since starting college; and (5) background and demographic information.
