Follow-up  
questions

# Transitioning to follow-up questions

- You said you walked to Cal's dorm. Tell me all about walking to Cal's dorm.
- Help me understand what was going on while you and Skylar were walking to your dorm.
- What were your thoughts and feelings when you first arrived at Cal's room?
- You said you felt trapped. I want to make sure I understand what you mean by feeling trapped.
- I don't want to make any assumptions, so can you explain what you mean when you said that you and Skylar had been "talking" in the two weeks prior to this encounter?
- I am going to ask about what happened once you were on the bed. It's important that I gather as much information as possible about that part of the encounter because the decision-make will need that information in evaluating the issues in this matter.
- I am going to shift gears now to the morning following your interaction with Skylar.
- What were you hearing while Cal was removing your clothes?
- How did you know Skylar wanted to engage in kissing?
